To The Board of Directors of SEPC Limited (Formerly known as Shriram EPC Limited)

1. We have reviewed the accompanying statement of consolidated unaudited financial results of SEPC Limited (Formerly known as Shriram EPC Limited) ('the Holding Company'), its subsidiary, (the Holding Company and its subsidiary together referred to as the 'Group') for the quarter ended December 31, 2022 and the year to-date results for the period April 01, 2022 to December 31, 2022 ('the Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulations').
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India and in compliance with the Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.
4. This Statement includes the results of the Holding Company and the following entity:

Sr. No	Name of the Entity	Relationship with the Holding Company
1.	Shriram EPC (FZE) - Sharjah	Subsidiary

5. Basis for Qualified Conclusion:

a) Our audit report on the consolidated financial statements for the year ended March 31, 2022 & our limited review report on the Statement of the Company for the quarter ended June 30, 2022 & September 30, 2022 and the year to date results for the period April 01, 2022 to September 30, 2022 was qualified in respect of the matters stated below:

- i. The carrying value of Deferred Tax Asset (DTA) include an amount of 39,675.48 lakhs (December 31, 2021: Rs. 43,930 Lakhs) which is recognized on unabsorbed business losses. Due to unavailability of sufficient appropriate audit evidence to corroborate management's assessment that sufficient taxable profit will be available against which such losses can be utilised, as required by Ind AS 12 on Income taxes, we are unable to ascertain the extent to which the deferred tax asset can be utilized. (Refer Note 8 of the Statement).
- ii. Contract Asset (Non-Current) include Rs. 3,956.02 Lakhs (Net of provision amounting to Rs. 926.98 Lakhs) relating to project dues which is not progressing on account of statutory delays faced by the Customer. In the absence of positive development in this matter till date, there is uncertainty on the amount that would be recoverable by the Company. Further, sufficient appropriate audit evidence to corroborate management's assessment of recoverability of the above said amount is not available. Accordingly, we are unable to comment on the carrying value of above-mentioned Contract Asset (Non-Current) and the impact if any, on account of non-provisioning of the said balance on the Statement. (Refer Note 5 of the Statement).

6. Based on our review conducted and procedures performed as stated in paragraph 3 above, with the exception of the matter described in the paragraph 5 and the effect thereon, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. We draw attention to Note 9 in the Statement, which states that the Company has incurred a net loss before exceptional items for the period April 01, 2022 to December 31, 2022 amounting to Rs. 12,290.99 Lakhs and as of that date has accumulated losses aggregating Rs. 2,14,743.40 Lakhs which has resulted in erosion of its net worth. These events or conditions indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, as stated in Note 02, considering the implementation of resolution plan, infusion of equity by the investor and the change in management, additional funding by Investor for working capital together with plans to meet financial obligations out of the cash flows from execution of the pipeline of orders in hand, future business plans, non-fund based facilities, the Statement has been prepared on going concern basis.

Our conclusion is not modified in respect of the above matter.

8. We draw attention to the notes 10 to the financial results:

- A) Note 10(i) to the Statement, which describes the implementation of Resolution Plan entered into with the lenders dated June 22, 2022 wherein Interest waiver, the difference between the carrying amounts of the facilities before restructuring and the fair values of the new facilities has been recognised as income and disclosed under Exceptional items in the statement of profit and loss in accordance with INDAS 109 - Financial Instruments.
- B) Note 10(ii) to the Statement, which states that the management has made a provision of Rs. 5,820.08 Lakhs on account of termination of sale order and consequent legal disputes / arbitration proceedings initiated during the period in respect of projects with the customers.

Our conclusion is not modified in respect of the above matter.

These interim financial statements have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, is based solely on the report of the other auditors and the procedures performed by us as stated in paragraph 3 above.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Basis for Qualified Conclusion:
 - a) Our audit report on the financial statements for the year ended March 31, 2022 & our limited review report on the Statement of the Company for the quarter ended June 30, 2022 & September 30, 2022 and the year to date results for the period April 01, 2022 to September 30, 2022 was qualified in respect of the matters stated below:
 - i. The carrying value of Deferred Tax Asset (DTA) include an amount of 39,675.48 lakhs (December 31, 2021: Rs. 43,930 Lakhs) which is recognized on unabsorbed business losses. (Refer Note 8 of the Statement).
 - ii. Contract Asset (Non-Current) include Rs. 3,956.02 Lakhs (Net of provision amounting to Rs. 926.98 Lakhs) relating to project dues which is not progressing on account of statutory delays faced by the Customer. Further, sufficient appropriate audit evidence to corroborate management's assessment of recoverability of the above said amount is not available. Accordingly, we are unable to comment on the carrying value of above-mentioned Contract Asset (Non-Current) and the impact if any, on account of non-provisioning of the said balance on the Statement. These events or conditions indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, as stated in Note 02, considering the implementation of resolution plan, infusion of equity by the investor and the change in management, additional funding by Investor for working capital together with plans to meet financial obligations out of the cash flows from execution of the pipeline of orders in hand, future business plans, non-fund based facilities, the Statement has been prepared on going concern basis.
